Powerful plants in a luxurious, moisture-rich cream comfort sore muscles. Full spectrum hemp extract blended with arnica and sweet birch provides pure comfort instantly on contact. Essential oils of citrus and peppermint absorb quickly to hydrate back, neck, feet, hands and joints.

Sandman

Gently ease into a restful state with this luxurious, botanical body cream. Our unique formulation combines the natural properties of full spectrum hemp extract with relaxing chamomile and melatonin. Cocoa and shea butters provide rich moisture. Lightly scented with calming essential oil of lavender.

Unicorn

Experience all-over hydration from a layered blend of plant butters, enriched with full spectrum hemp extract. Scented sandalwood, red clover blossom, and green tea round out this unique hydrating formulation.

Soft Touch

The ultimate full spectrum hemp extract hand cream. Our effective formula is rich in oatmeal, calendula and shea butter to soften and help protect against dryness. Freshly scented with white grapefruit and orange.

Skin Deep

Full spectrum hemp extract maximizes the effects of Ahiflower® and soothing borage oils to bring intensive relief to noticeably parched skin. Rich in shea butter and high in Omega-3 oils, this thick lotion hydrates and smoothes dry patches and cracked, damaged skin. Fragrance free.

CRITICAL BALANCE: Even a small change can have a positive ripple effect, impacting our well-being.
